

Do You Know a Young Entrepreneur?

Have them apply today! Applications from creative, determined, and enthusiastic middle and high school students interested in social or business entrepreneurship are currently being accepted by the Palos Verdes Peninsula Chamber of Commerce's Young Entrepreneurs Academy!

At YEA!, the learning is real. It's experiential. And it means business.

YEA! takes students through the entire business creation process – brainstorming ideas, writing business plans, pitching to potential investors, registering with government agencies – all the way to actually launching and running their own business or nonprofit. They'll learn how to think critically, leadership skills, people skills, confidence and presentation skills. Students leave this program more confident and capable of adapting to the new world and the opportunities that it will bring.

YEA! is for young people with drive.

The Young Entrepreneurs Academy is for students who have demonstrated creativity, motivation, enthusiasm, and a willingness to learn! Turn your talent and passion into a real-life business.

YEA! easily fits into your schedule.

YEA! meets once a week, after school, for three hours! Tuesdays 5 to 8 pm from January through June, at Chadwick School. Applications will be accepted on a rolling basis until the class is filled. 24 students maximum.
