**Schatan Optical Gallery Announces New Business Model**

Master Optician & Eyewear Consultant, Mary Lou Schatan, like many small business owners, was forced to temporarily close her popular eyewear boutique due to the COVID-19 pandemic.

The closure has provided time for reflection and re-evaluation, which has resulted in a new business model. Henceforth, she will be seeing clients on an appointment only basis. “The thrust behind my new endeavor is to give each client my undivided, personal attention,” said Schatan. New business hours will be 10:00 a.m. to 6:00 p.m. Tuesday through Friday, and on Saturdays from 10:00 a.m. to 4:00 p.m. Closed Sunday and Monday.

As a Master Optician and Eyewear Consultant for 51 years, Schatan has a unique expertise in spatial symmetry and knowing which of her pristine designer frames will look best on each client. “I guarantee that you will see better and will always look fabulous,” she said.

Once it is safe, in celebration of her Grand Re-Opening, she will be offering Very Special Savings on all prescription eyewear purchases. Details are forthcoming. Meanwhile, Schatan is offering emergency eyewear repair seven days week.

She may be reached on her cell phone, (310) 920-9565. Schatan Optical Gallery is located at 24580 Hawthorne Blvd., in Hillside Village, Torrance.
