

Looking for some great family fun? Join your friends at the 29<sup>th</sup> Annual Palos Verdes Street Fair & Music Festival June 11 & 12!

There's something for everyone at this popular two-day event. Start out the weekend at the totally fun "Cirque du Pooch" Dog Show...enter your family dog for great prizes! Then head on over to the Main Stage to catch the variety of live, professional bands that will be playing all weekend. You've probably worked up an appetite from all that dancing, so check out the International Food Court...featuring a tantalizing array of choices including BBQ, Greek, Thai and funnel cake of course!

Time to do some shopping...visit over 200 vendors selling everything from unique handcrafted jewelry, to handbags, clothing, photography, and gifts and a wide variety of products and services.

All that shopping might work up a thirst, so for those of you over 21, be sure to stop by the Beer & Wine Tasting Garden to sample craft beers and local wines.

Of course, the Community Plaza Stage will be going strong all weekend....this stage features performers from the South Bay, including dance, vocal and theater. And all the entertainment at both stages is free!

Time now for some action....be sure to save lots of energy for the thrilling rides at the huge Carnival! See the Peninsula from a top the 65 foot Ferris wheel or be among the first to ride the brand new "Hard Rock" thriller. Lots of rides for the little ones too! Save money on advance purchase All Day Carnival Wristbands. Other favorites will be there including the Bungee Jump, Pony Rides and Petting Zoo.

FREE admission, FREE parking and FREE entertainment! Our favorite part of the weekend is bringing the community and many visitors from throughout the Los Angeles metro area together to celebrate the official start of the summer season!
