

**Community Rallies to Support Local Restaurants**  
***The Great Peninsula Takeout***

**FOR IMMEDIATE RELEASE**

March 25, 2020. Rolling Hills Estates. Building on the importance of supporting local business, the Palos Verdes Peninsula Chamber of Commerce in partnership with all four Peninsula cities – Rancho Palos Verdes, Rolling Hills Estates, Palos Verdes Estates and Rolling Hills - announces “The Great Peninsula Takeout”. The community is encouraged to actively show support for local restaurants by ordering takeout or delivery throughout this period of restricted commerce.

Restaurants are struggling to weather the financial impact of lost dine-in sales. Supporting our restaurants through takeout orders right now may be the difference between restaurants being able to stay in business going forward or closing permanently. In support of local restaurants, the Chamber and the Peninsula cities are promoting “Takeout Tuesdays AND Takeout Thursdays”.

The community is encouraged to join in the “Takeout Tuesdays and Takeout Thursdays” initiative by posting on social media and inviting friends and neighbors to order takeout, using Tuesdays and Thursdays as a special reminder. Tag to spread the word:

Residents are asked to show their support by ordering takeout or delivery, not only on Tuesdays and Thursdays, but on a regular basis throughout the coronavirus restrictions. Check the web or social media for current listings and hours. The Peninsula community is asked to act together to support each other in new ways amid the coronavirus outbreak. The “Takeout Tuesdays and Takeout Thursdays” program is a concrete step in that direction.
